All shoes, tights, and pants are available in the Spirit Shoppe at Mid American Studio.

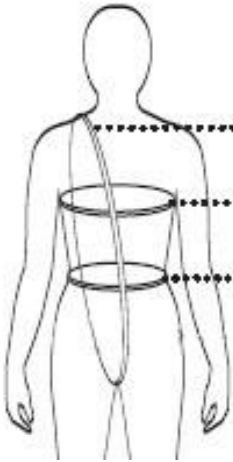

DUE SATURDAY, SEPT 30th

Must include ALL measurements and full payment.

Please complete one form per student.

Sizing:

Please measure your child and include the numbers (INCHES) below. Since letter sizes vary greatly between clothing companies, accurate measurements (which we compare to the size chart for your particular costume) are the best way to ensure proper fit.

GIRTH: Measure from the center of one shoulder, down the front through the crotch and back to starting point.

CHEST: With arms out (parallel to floor), measure around the fullest part of the chest, keeping tape measure parallel to floor.

WAIST: Measure around natural waistline, the narrowest part of the upper body (not over shirt or pants). For small children measure around the belly button.

Please note:

- If ALL measurements are not filled out, we will estimate a size.
- If measurements fall between sizes (when we compare them to the size chart), the GIRTH will be the deciding measurement.
- Costumes are NOT custom made. Alterations are the responsibility of the client.
- Exchanges for size are at the expense of the participant and are based on availability.
