

Recital Details – Winter 2018

Dress Rehearsal: Friday, May 11th

Recital: Saturday, May 12th

(Doors@1:00pm, Show begins@1:30pm. See below for performer arrival times.)

Your child's costume(s) were handed out or will be handed out as they come in. These are your costumes, and you are welcome to make any necessary alterations. After the recital students are free to wear their costumes to class or as they please. **Please put your name on each piece of your costume.** Your original Costume Order Form indicated whether or not you'll need to provide any additional items, such as proper shoes, black pants, tights, etc. This info is also available on the "Downloads" page of our website, titled "Costume Notes". If your child needs any of these items, please get them as soon as possible to avoid last minute issues if items become out of stock.

For both the dress rehearsal and the recital, students will need to be dropped off at the *AUDITORIUM ENTRANCE* of:

**Novi High School
24062 Taft Road, Novi, 48375**

(The auditorium entrance is closest to the 10 Mile entrance of the school)

Dress rehearsal is MANDATORY. If a student is not at the dress rehearsal, formations will be adjusted to ensure the best performance for everyone involved. There are no exceptions to this rule.

KNOW YOUR 'BOW LETTER' & ROUTINE NAME...

When the Recital Line Up (order of the show) is released, it will include a column listing each class's BOW LETTER. Students should learn and memorize this letter so they line up correctly for the final bows. **Performers in more than one routine:** bow with the LAST group you perform with in the show order. This will be practiced at the dress rehearsal. Please make sure that your child knows the name of their routine(s) as our staff members will be calling off those names backstage to line up for the performers. Pre-ballet classes will bow separately and do NOT need to remember a bow letter.

ARRIVAL TIMES & DAY-OF SCHEDULE...

PRE-BALLET (AND PRE-BALLET/TAP) ONLY:

Dress Rehearsal: Arrive promptly at 5:30pm on Friday, May 11th and wait with your child in the lobby to the left of the stairs. We will escort all Pre-Ballet students in groups backstage to practice bows, then routines for each of these classes. Parents may sit in the auditorium and watch. After bow practice, PB students will remain backstage with their teacher and assigned chaperones awaiting their class's rehearsal on stage. After your child practices her/his routine, you may pick up your child backstage and are free to leave.

Recital: Arrive at 1:00p, dressed and ready in the same meeting place in the lobby. Students will be escorted backstage as a group by studio staff. After Pre-Ballet bows (before intermission) you may come on stage to pick up your child and their belongings backstage. You are free to leave or may watch the rest of the show. Please note: any person (including PreBallet performers) who would like a seat will need to purchase a ticket.

ALL OTHER STUDENTS (K-2nd grade classes & up)

Dress Rehearsal: Arrive promptly at 6:00pm on Friday, May 11th, hair/makeup complete and dressed in the costume for your first routine (per the line-up). We'll run the final bows first so ALL students must arrive at 6:00pm. Upon arrival, report directly to the auditorium and look for your bow letter which will be taped to the ends of the rows. Find your bow letter and take a seat with all of your belongings, and wait for further instructions from our staff about the location of your designated backstage area (Note: students in multiple routines will sit with their LAST routine, but should be dressed for their FIRST routine.) Following bows, we will rehearse each class's routine. You are free to leave after your last routine is finished.

Recital: Arrive at 12:30pm dressed and ready for your first routine and go directly to the same backstage area you were at for dress rehearsal. After final bows, parents are welcome to come on stage for photos and to collect belongings from backstage areas.

PARENTS:

Parents may sit and watch in the auditorium during dress rehearsal, but are not permitted backstage during rehearsal or recital due to the large amount of people involved. Please be assured that your children will be supervised backstage by Mid American Studio staff and volunteers at all times.

WHAT TO BRING BACKSTAGE...

Please make sure your name is on all costume pieces and belongings to avoid lost or misplaced items.

See the 'Recital Checklist' at the end of this packet for a list of suggested items to bring to the recital (you are not required to bring any of these). Because parents are not permitted backstage, any extra items (snacks, backpacks, etc.) must be brought with the performer upon arrival. You are welcome to send a light snack with your child, but should avoid any foods that may spill or stain your child's costume. We suggest pretzels, water, fruit, cheese sticks, granola bars, etc. To protect your child's costume(s) we recommend you pack a zip-up or button-up shirt (to avoid pulling clothing over their hair and makeup) or an oversized t-shirt for them to wear.

COSTUMES, HAIR, & MAKEUP...

All students should arrive to dress rehearsal and recital in full costume, hair, and makeup for their first performance. The purpose of dress rehearsal is to get students familiarized with the stage, and for the sound and lighting technicians to prepare for the actual show. It is crucial that dress rehearsal be taken just as seriously as the actual show.

See our "Recital Hair and Makeup" handout (also available online) for detailed instructions. Please have your performer in stage makeup at your discretion. We ask that all girls wear silver/gray or brown eye shadow, red or pink lipstick (something brighter and more bold than their natural lip color), and **have their hair in a bun**. Supplies for putting hair into a bun (bobby pins, bun forms, hair nets) are available for sale in the Spirit Shoppe. We will also post a bun tutorial on the bulletin board and via email. Undergarments should not be visible while in costume (i.e. colored bra straps, underwear, etc.). Shoes are a part of the uniform costume look; therefore students **must wear the required footwear in order to perform** in the recital.

There are mirrors available backstage. Staff members and volunteers will be available to help with make-up and hair touch-ups, but not full make-up application or hair styling.

AUDIENCE: Tickets and show times...

Spectators may enter the auditorium beginning at 1:00pm and the recital will begin at 1:30pm. **All seats are assigned. See the Ticket Order Form for more info.**

AFTER FINAL BOWS: When and how to reunite with your performer...

PreBallet students: Pre-ballet students will perform in the first half of the show and will have their final bows just before intermission. An announcement will be made at the start of intermission inviting PreBallet parents to use step onto the stage to pick up their children and proceed backstage to collect their belongings. You may leave after intermission, or purchase a ticket for your student to sit in the auditorium to watch the remainder of the show. Tickets are not required for children sitting on a parent's lap.

****Only parents of Pre-ballet students are allowed backstage during intermission.****

All other students must stay backstage for the entire recital. After final bows, students 4th grade and younger will remain on stage. We ask that one parent meet their child at the entrance to the stage, and take them to their backstage area to collect their belongings. Students 5th grade and up may meet their parents in the lobby after cleaning their backstage area and gathering their belongings. Remind your child to clean up their area in the dressing room when they are done, as well as keep track of their costume(s), make-up, etc.
